C. Declarant executed the Amended and Restated Declaration of Covenants, Conditions and Restrictions for the Ranch and recorded said document in the official records of Maricopa County, Arizona on July 16, 1999, as Document No. 99-0673267 (the "**Ranch Declaration**"); and

D. The Council Declaration and the Ranch Declaration each contemplates that supplemental declarations for parcels located within the Development will be executed and Recorded periodically as the development of the Development proceeds; and

E. Declarant wishes to cause that portion of the Development described on Exhibit "A" attached hereto (the "**Tract**") to become subject to the Council Declaration and the Ranch Declaration, and to be developed in accordance with certain supplemental covenants, conditions and restrictions as set forth herein.

NOW, THEREFORE, Declarant hereby declares that the Tract shall be held, sold and conveyed subject to the following restrictions, covenants, conditions, terms and provisions:

1. **Annexation.** Pursuant to Section 15.2 of the Council Declaration and Section 9.1 of the Ranch Declaration, Declarant hereby declares that the Tract is and shall be subject to the terms and provisions of the Council Declaration and the Ranch Declaration.

2. **Land Use Classification.** The Land Use Classification (as such term is used in Exhibit "C" to the Council Declaration) for the real property within the Tract shall be single-family residential, and construction on such real property shall be limited to single-family dwelling units and related common elements. Notwithstanding the foregoing, however, Declarant reserves to itself, and its successors and assigns (including without limitation any homebuilder in whose favor Declarant executes, acknowledges and records an assignment of rights), the right to construct and install within the Tract one or more temporary construction trailers and other improvements used in connection with the construction and sale of single-family dwellings within the Tract; provided that all such improvements shall be removed from the Tract promptly after the completion of all applicable construction and sale activity.

3. **Calculation of Units.** The Tract has been subdivided into twenty-seven (27) residential lots (collectively, the "Lots", and each, individually, a "Lot") pursuant to the subdivision plat for the Tract recorded of even date herewith in the official records of Maricopa County, Arizona (the "Plat"). Accordingly, for purposes of Exhibit "C" to the Council Declaration and Exhibit "D" to the Ranch Declaration, there shall be twenty-seven (27) Units in the Tract. If Declarant duly amends the Plat, such that the number of Lots in the Tract is greater or less than twenty-seven (27), then Declarant may, without obtaining the consent of any owner of any such lot or any portion of the Tract, amend this Supplemental Declaration to correctly specify the total number of Lots within the Tract.
